

Prodigy to Pro

“We work with 16 to 19 year old cricket prodigies to enable them to turn pro without having to sacrifice their financial futures!”

Our Mission with the Prodigy to Pro program

Growing young people, who just happen to be sporting prodigies and preparing them to take on their journey to the top!

- **Are you a young cricket prodigy seeking professional assistance that will put you on a path to possibly becoming a professional cricket player but you aren't sure who to speak to?**
- **Do you want to pursue a career in cricket and set yourself up for financial success in the future?**

If you think you got what it takes to make it, contact us **NOW! Join the Prodigy to Pro program to help you with the steps and processes you need to succeed in cricket and in business!**

BRAD WHEAL

Brad is a Clifton College old boy, who is now a professional cricketer applying his trade for Hampshire CCC in the United Kingdom.

Brad was one of the very first young players to be a part of our unique Prodigy to Pro program at Futura Sports Agency and through working with our mentors and career management specialist he began his journey to the top where today he successfully represents Scotland on the international stage.

Developing Prodigies, Creating Professionals!

Futura Sports Agency's Prodigy to Pro programme has been set up to mentor young cricket talent and provide them with an opportunity to begin their journey of becoming a professional cricket player by providing them with the initial steps to being able to execute on their dreams.

Our programme gives our cricket prodigies, aged 16 to 19 the opportunity to develop holistically in order to gain a greater vision of what they are wanting to achieve. They will be guided with the aid of our sporting mentors in many aspects that will attempt to assist them on their journey to the top whether it be locally or abroad.
